A sofa for those who like soft shapes of the past, but want modern comfort. Enjoy resilient foam cushions, comfortable armrests and cone-shaped legs in a lovely retro style that lasts for many years.

High resilience foam makes the sofa soft and cosy, while it also gives comfortable support for your body and quickly regains its shape when you stand up.

High legs make it easy to clean the floor under the sofa. Velvet is made using a traditional weaving technique, which gives the fabric a dense pile that reflects light and gives a fine lustre with a slightly shiny look. Thanks to the dense pile, the colour looks deep and warm and the fabric feels cosy and soft against the skin. These qualities have contributed to velvet's association with luxury. At the same time, it is a material that, if correctly cared for, withstands wear and that's why it's ideal for home furnishing.

To keep your sofa looking good, you should regularly flatten out creases and wrinkles with your hand. The velvet reflects light in a characteristic way which may make the colour appear as if it changes.

Press marks that may appear on the velvet usually disappear after some time. With your hand, you can gently stroke in the direction of the pile or use a clothes brush.

You can also use the vacuum cleaner with the soft nozzle.

Small fibres may appear on velvet.

It happens naturally and they disappear over time and can also be removed with a garment roll.

Say goodbye to old-fashioned sofa beds; this sofa bed brings a bit of modern style and practicality into its surroundings! Available in a range of colours to suit your existing décor, the sofa features a sleek silhouette, button back and inviting seats ideal for Netflix nights with friends and family. It transforms easily using the clic clac method into a comfortable sofa bed, ideal for overnight guests and unexpected visitors. This contemporary 3-seater sofa bed is a space-efficient solution for those who need an occasional guest bed. It simply folds out to turn into a comfy bed for up to two people. Fixed cushions mean minimal fuss to set up or put back up into a sofa, and a sprung foam seat and back offer a firm, comfortable place to sit. This sofa bed is a stunning piece of furniture and would be a great new addition to your home. It can be used in a bedroom or the living room, bringing a contemporary touch to the room. This sofa uses the ingenious, faultless 'click-clack' mechanism, allowing you to have the sofa positioned in one of 3 ways - Sitting, Reclining or Sleeping. Converting in seconds. This Italian Style Sofa bed is stylish and highly functional. Made of high-quality cotton, this multi-functional sofa bed offers great durability and stain-resistant properties. The polished chrome legs give it that extra addition of designer glamour. This sofa comes with two armrests (not attaches), that double up as pillows when in bed mode.
